## SECTION H, ANTHROPOLOGY.

THE winter meeting of Section H was held in the lecture hall of Field Columbian Museum, Chicago, on December 31, 1901, and January 1-2, 1902; Dr. J. Walter Fewkes, of the U. S. National Museum, presiding.

At the opening session, Dr. Geo. A. Dorsey was chosen press secretary. Professor Franz Boas was appointed to represent the Section on a committee to revise the schedule for measurements used in gymnasia. This committee, made up of members of various societies interested in physical education, is to report at the next meeting of the American Association for the Advancement of Physical Education.

A committee to confer with delegates from the Anthropological Society of Washington, D. C., and the American Ethnological Society, with special reference to increasing the usefulness of the *American Anthropologist*, as well as facilities for anthropological publication in general, was chosen as follows: Dorsey (chairman), Starr, Culin, Dixon, MacCurdy, Russell.

At the winter meeting in Baltimore one year ago a committee, consisting of F. W. Putnam (chairman), J. W. Powell and Geo. A. Dorsey, was appointed to 'take preliminary steps for the reception of the
